At Ruby your personality really matters, your time really matters and we strongly believe we groove way better together. At Ruby we keep breaking new ground.

Hey Sunshine,

You think travelling is more than just the next summer holiday, but the feeling of **being at home anywhere in the world**? That your workplace should be a place with **personality and soul**, where new ideas come to life? Then you are the missing olive in our martini, the missing melody in our music and the **heartbeat of our Ruby Luna**.

The Ruby Luna Hotel with their 198 rooms is located in the picturesque Carlstadt. Built in the 1950s, the building is the towering testimony to the most ambitious of all eras - the departure into space, which is also reflected in the design. Königsallee, Düsseldorf's famous boulevard with its shops, cafés and restaurants, is only 200 meters away. The legendary old town with its many traditional pubs and bars as well as the nightlife around Ratinger Straße are also within walking distance.

We are a fast-growing hospitality group with existing hotels and workspaces in some of **Europe's most exciting locations** and many more projects under construction. We break **new ground** with our **Lean Luxury philosophy**, creating a contemporary and affordable form of luxury.
