

Interior Buyer (m/w/d) - Corporate Office München

At Ruby your personality really matters, your time really matters, and we strongly believe we groove way better together. At Ruby we keep breaking new ground.

Hey Sunshine,

You're a pro when it comes to **planning and behind-the-scenes magic**? You believe that your work should be a place with **personality and soul**, where new ideas come to life? Then you are the missing olive to our Martini, the missing melody in our music and the **heartbeat of our Rubyverse**.

We are a fast-growing hospitality group with existing hotels and workspaces in some of **Europe's most exciting locations** and many more projects under construction. We **break new ground** with our **Lean Luxury philosophy**, creating a contemporary and affordable form of luxury. Our stylish Corporate Office in Munich bundles all construction, design, administrative and marketing functions as well as many front office activities outsourced from the hotel. The in-house Interior Department within the Technical Services Department designs, plans and implements tailor-made design concepts for each property. Each hotel plan is developed individually or with partial standards and refers to the property, its architecture, the location or its history.
